

RMD Bulletin

Knowledge is power...

Did you know? Bulletins May Vary by Provider Type

Bulletins from Central Business Office (CBO) are issued to directly operated programs and to non-governmental agency (NGA) contract providers. The bulletins contain information or instructions that are specific to each provider type.

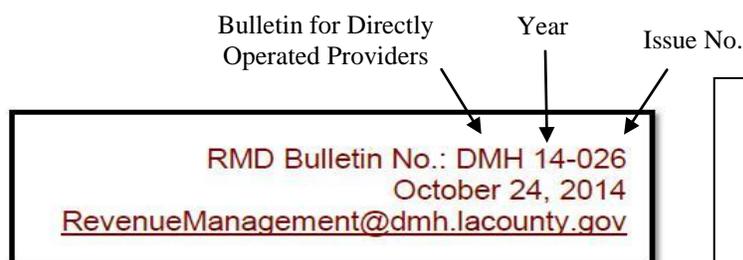

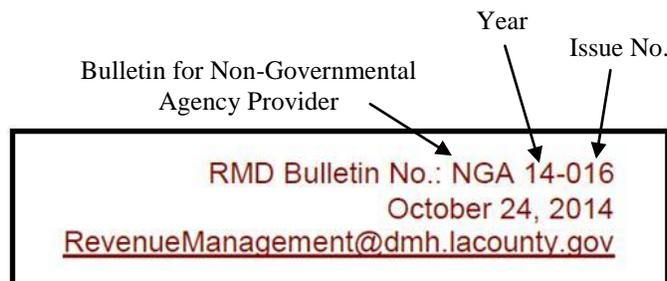

When bulletins are given to the incorrect recipient, it creates confusion regarding the information provided in the bulletin.

Fortunately, distinguishing bulletin types is simple!

How can I tell if a bulletin I receive is intended for my provider type?

At the bottom right corner of the bulletin, a box with the following information differentiates for whom the bulletin is issued:

1. “DMH” or “NGA” to distinguish provider type
2. Last two numbers of the year of issue
3. Issue number

So, please remember:

Each time you receive a bulletin, check to be sure it is intended for your provider type. If it is not, contact CBO to obtain the correct issue.

We're here to help you...

If you have any questions or require further information, contact CBO at (213) 480-3444 or via e-mail at RevenueManagement@dmh.lacounty.gov.
